SUMMARY

Final-year Data Science Engineering student keen to learn new concepts and gain practical exposure. Eager to apply academic knowledge in real-time projects and develop professional skills.

EDUCATION

B-Tech: CSE-DS - Rise Krishna Sai Prakasam Group of Institutions 2023– 2027

Percentage (%) – 87.2

Intermediate - APTWR Junior College 2021 - 2023

Percentage (%) – 94.2

SSC - Sri Narayana Vidya Vihar High School 2020- 2021

Percentage (%) – 100

TECHNICAL SKILLS

- Programming Language: Python , Java
- Databases: SQL
- Web Technologies: HTML, CSS, Javascript.

INTERNSHIP & CERTIFICATIONS

- **Data Science Virtual Internship** – from Edu skills.
- **SAP Backend Developer ABAP** – Certified.

PROJECT

Liver Cirrhosis Prediction | Python, ML, Scikit-learn

- Built a Logistic Regression model to predict liver disease using patient health parameters.
- Performed data preprocessing, feature scaling, and class balancing for disease classification

SOFT SKILLS

- Accountability & teamwork
- Continuous Learner
- Time Management
